

# OFFICE IS OPEN FOR THE REGISTRATION OF ALIENS IN MONTREAL

**Notice Warning Germans, (Austrians and Turks to Register Have Been Distributed.**

---

Montreal, Nov. 16.—The office for alien enemies in Montreal and for an area of twenty miles around the city was in good working order this morning at 153 Saint Terrone street, and some four hundred aliens, mostly Austrians of the poorer class, registered their names and addresses and gave the name of their birthplace and length of residence in Canada. Notices warning all Germans, Austrians and Turks to register within a month have been posted broadcast, and S. Carpenter, ex-chief of detectives in Montreal and later of Edmonton, is in charge of the registration.
