Three Men Held at Niagara Falls
Pending Hearing Before Ma-
gistrate Tomorrow.

Niagara Falls, Ont., Nov. 17.—Charged with high treason, Joseph Snyder, 60 years of age, and his two sons, Richard and Arthur Snyder, aged 24 and 27 years respectively, are prisoners confined in the armory pending hearing before Magistrate Fraser on Wednesday.

The men were arrested with several Austrian reservists at Joseph Snyder's residence, about a mile west of Chippewa, just as they were about to start for the American side late Saturday night in a fast motorboat.

Snyder is the father-in-law of Geo. M. Hurst, arrested by the United States immigration officials October 4, as he landed several aliens on the American side.
