

'Twas Austrian Anthem.

An amusing incident was noted by Rev. Father Kennedy at the St. Joseph's parish mission last night, relative to the singing by the choir and congregation on Sunday evening of the Tantum Ergo, for which there are several different musical settings.

"We will change our tune tonight," said the missionary father. "We have discovered that the air of the hymn last night was the same as the Austrian National Anthem, and I don't want to be taken for a German spy."
