

## Dr. Kohlman ~~Interned?~~

Dr. Ervin Kohlman is still in Stanley Barracks. Two friends were allowed to visit him this morning. Major McColl, who commands the Governor-General's Body Guard, in charge of the barracks, was present all through the interview.

Ottawa, Ont., Dec. 16.—Col. Sherwood stated this morning that Kohlman received a permit to leave, but did not go, and has presumably been ~~interned~~.
