## **Fort William and Port Arthur Ask That Men Work in That District**

Fort William Dec. 22.—Early today, 1,470 alien enemies, the great majority of them Austrians, had been registered at the local registration office.

Of this number 43 per cent required the assistance of the Government as they were practically destitute. The Board of Trade of Fort William and Port Arthur has proposed that the labor of the alien enemies in this district be used for the exclusive benefit of this district, in the shape of clearing Government lands and road-building.
