

ASKED TO BE ~~INTERNE~~D.

Foreigner Says Austrian Confined Supported Him.

With the sum of \$125 in five, ten, and twenty-dollar bills in his pocket, an Austrian out-of-work, Josef Kniaz, 53 Dundas street, was discovered by the military authorities near the pumping station last night. When taken to the alien office he stated that he was a native of Sokul, Austria, but was not and never had been a reservist.

Failing to satisfy the authorities, Kniaz was ~~interned~~, and this morning the registration office was visited by Ludwig Gleski, with the novel request that he be ~~interned~~ too. Gleski stated that he was supported by Kniaz, whom he admitted was a reservist, signing a statement to that effect. Gleski is now awaiting developments at No. 1 Police Station.
