

# Mazur Acquitted On Second Charge

*But is Held Pending Inquiry  
by Registrar of  
Aliens*

Paul Mazur appeared again before Chief Justice Sir William Muirlock this morning on the charge preferred against him by the Grand Jury, that of high treason. He has been acquitted on the other charge of conspiring to commit high treason.

The evidence at the trial was admitted by the Crown, and the verdict of not guilty was assented to.

Mazur was then removed to the cells, being held under authority of the Registrar of Alien Enemies to be taken under military escort to be questioned by the Registrar.

Since the trial revealed the fact that Mazur, who claimed to be a Canadian, is really an Austrian, his freedom or internment is at the discretion of the Registrar.
