

## MAY INVOLVE LANDLADY.

Young German Interned—Austrian  
Also Sent to the Barracks.

An action that may involve a charge of treason is alleged against a Toronto landlady in attempting to deceive the police authorities as to the intentions of a young German boarder, Joseph Casper, in regard to a trunk, which, it is alleged, he was trying to forward to another alien who had gone to the States without an exit. A warrant was made out for Casper's internment to-day.

Because he had no money or means of support, Mike Skoleski, Hoosatin, Austria, was also sent for the duration of the war to Stanley Barracks.
