

AUSTRIANS ARE INTERNED

Magistrate Brunton Hands Them
Over to Alien Office.

Mike Hosnia and George Andovitch, Austrians from New Toronto, were interned at Stanley Barracks this morning by the Alien Enemy Office. The two foreigners were employed by the G.T.R. at New Toronto and when they were discharged a short time ago did not leave the boarding car in which they were living and which belonged to the company. As a result, they were arrested on a vagrancy charge by county constables and appeared before Magistrate T. H. Brunton in the County Police Court this morning. It was found that Andovitch had served in the Austrian army and was a reservist.
