

COL. OGILVIE, REGISTRAR OF ALIEN ENEMIES, HERE

Advice from Ottawa this morning is to the effect that Colonel A. T. Ogilvie of Victoria has been appointed to the position of registrar of alien enemies in the city of Vancouver. The appointment was made by Colonel Sherwood, Chief of Commissioners of the Dominion Police, and Chief of Police McLennan of the local force was notified this morning of the appointment. As strict tabs have been kept on alien enemies by the local police department, Sergeant Hood and Secretary Frank Amor having adopted a splendid system of registration, it is thought that this move is but one of several which will culminate in the deportation of many foreigners by the government. It is expected that a bill in this connection will be introduced in the Federal House in the near future.
