

Those Who Glory Over Sea Horror Being Interned

Aliens who have been heard expressing sympathy with Germany are rapidly being rounded up and sent to the concentration camp at Brandon. There are about 350 aliens now interned and it is believed that the number will be increased greatly. A close watch is being kept on all aliens, whether naturalized or un-naturalized, and it is a short road to Brandon for any of them who have confessed sympathy with Germany since the Lusitania horror.

Among the aliens who have been given temporary employment by the city recently to keep them from starving a number have been turned over to the military authorities and have been interned.
