S. H. Mundheim Held the Rank of
Captain in the Kaiser's Army—In
Canada Fifteen Years.

A German who held the rank of captain in the Kaiser's army is to be interned at Fort Henry.

Word was received from Montreal on Friday that S. H. Mundheim, general manager of the Cement Produce Company of Canada, had been taken in charge and would be brought to Fort Henry. He was arrested at the opening of the war, but was released. He was taken into custody by officers of the Enemy Aliens Department, and will be interned probably until the war is ended.

Mundheim, who resided in Quebec, in close proximity to the company's extensive plant on the Island of Orleans, has never concealed his pro-German views. His immunity was due to the fact that the company by which he was employed has as directors and stockholders prominent and influential men in the province, but last Monday orders were received here from the Dominion police at Ottawa that Mundheim was to be arrested.

Mundheim had on his person his German passport, showing that he held, or had held, the rank of captain in the Kaiser's army. He also had two German newspapers printed in New York, of the dates of Tuesday and Wednesday last. Instructions from Ottawa not only ordered Mundheim's arrest, but his summary internment. Mr. C. G. Ogden, Registrar of the Aliens Department, signed the internment order, and Mundheim was detained pending his removal to Kingston.

Mundheim, who was born in Germany forty-seven years ago, came to Canada about fifteen years ago, but had never become a naturalized citizen.
