

WAS PRO-GERMAN IN A BAR

Robert Hirsch ~~Interned~~—Hotel Steward Bitterly Dejected.

Robert Hirsch protests that he's a German Jew and is hostile to militarism, but he has been ~~interned~~. While in a Yonge street bar, his remarks were pro-German, and precipitated a riot. Incidentally, he said, "You Canadians can never convict Nerlich."

Emil Neundorf, steward at the King Edward, was bitter before the Registrar of Aliens yesterday. "I'm not a German; I'm not an American; I'm not a Canadian; I'm nobody, a yellow cur." Neundorf, 25 years in the States and 13 years in Canada, supported his wife's request for an exeat, to visit friends in Chicago.

Carl Otto Larson, a reservist of the German Landwehr, came to Toronto from Midland, and asked the registrar to let him go to the States. But he's a sturdy fellow, and must linger here.
