

SUMMER NOW, THEY LONG FOR FREEDOM

Alien Enemies Try to Escape but
Only Five Get Away—5,000
are Interned.

Since the sinking of the Lusitania 1,500 more enemy aliens have been interned. The total interned aliens are now 5,000.

In addition to the General Otter is looking after and supporting between 7,000 and 8,000 dependents of the interned aliens.

With the warm weather there have been numerous attempts at escape from the camps, but only five have got clear away.

At Spirit Lake and Kapushasing stumping machines are at work and farm implements are being taken up to the experimental farms there. At Banff the prisoners are clearing away the deadwood and building roads. A road is being built in British Columbia between the Okanagan Valley and the Arrow Lakes.

During the last few days three hundred aliens have been interned at Fernie.
