

# **AUSTRIANS NOT REGISTERED ARRESTED**

---

Eighteen Austrians were arrested in Thorold yesterday by Officer J. W. Sterne, Niagara Falls, for neglecting to register. They were brought to the armoury, where they will be interned. At the present time there are more than two hundred Germans, Austrians and Turks employed on the new Welland canal, who are making good wages and are boasting of sending their money to New York, from which point it is forwarded to the home land.
