

Austrians Break Paroles. — Four more Austrians, arrested by the United States authorities as undesirables and deported, were brought in from Emerson yesterday morning. They admitted breaking their parole and were ordered to be interned at Brandon. Registered aliens in great numbers continue to apply for permission to proceed to various points in the west in order to engage in harvesting operations. The railroads are also sending out large gangs of men on construction and maintenance, and many have left for Ettington, Saskatoon, Edmonton and Medicine Hat.
