

## **ARRESTED AS A SPY**

---

### **A Former Kingston Resident Taken Into Custody.**

The activity of secret agents of the German Government is felt even in Kingston, and information has been received to the effect that a one time prominent citizen of Kingston has been arrested in Buffalo as a spy. The man concerned is well-known to hundreds of Kingston people, having been a resident here in 1913.

The spy was prominent in commercial and social circles. His arrest has come as a great surprise as he was very sociable and popular.
