

PRO-GERMAN SENTIMENTS.

Moses Azis, detained on a charge of threatening the piano player in his moving picture show, has developed strong pro-German sentiments, so much so that his fellow prisoners in the city jail have complained, and Azis was taken before the Chief of Police for examination. Justifying every act of Germany and violent in his attitude towards England, he has made himself very unpopular and he may be placed in a detention camp.

In the Women's Police Court a woman named Badger was charged with stealing a pair of boots from Simpson's. The police will investigate her record.
