

# Thief Is Identified As Escaped Alien

---

Marcin Ybaraczuk, when arrested in North Winnipeg late last night for petty theft, was identified by the police as one of the gang of Austrians who recently broke out of the Brandon war prisoners' internment camp. Ybaraczuk was arraigned before Magistrate Macdonald at the city police court today and was handed over to the military authorities for disposal.

Ybaraczuk has a long criminal record in Winnipeg and is considered a dangerous character. It is believed that he was the ringleader in the group concerned in the Brandon prison delivery.
