

INDICTMENT AGAINST ALBERT KALTSCHMIDT

For Conspiracy to Destroy Windsor and Walkville Buildings

(C. P. Special to Sault Daily Star.)
Sandwich, Oct. 5. — Under a fiat from the Attorney-General Crown Prosecutor J. M. Pike, of Chatham, laid before the grand jury at the Essex session of the Supreme Court at Sandwich yesterday afternoon an indictment against Albert Kaltschmidt, of Detroit, for participation in a conspiracy to destroy buildings in Windsor and Walkerville by dynamite. There is a possibility that a true bill would mean the commencement of extradition proceedings.
