---

For Conspiracy in Connection  
With Windsor and Walk-  
erville Dynamiting

(C. P. Special to Sault Daily Star.)  
Windsor, Oct. 6.—The grand jury at yesterday's sitting of the assize court at Sandwich returned a true bill against Albert Kaltschmidt, the wealthy Detroit German, charged in an indictment with conspiracy in connection with attempts some months ago to dynamite factories and public buildings in Windsor and Walkerville. A similar verdict was returned against Charles Respa, also of Detroit, who is now in jail here. It was hinted that extradition proceedings will be commenced against Kaltschmidt at once.
