

A GERMAN OFFICER CONTRIBUTES \$2.

To the Fund For Kingston Prisoners in Ger- many.

The American Consul on Wednesday morning received a Canadian two-dollar bill as a subscription to the Canadian prisoner-of-war fund, from a German officer. The letter that covered the donation explains the circumstances, and reads as follows: "Rockwood Hospital—As I am a prisoner of war formerly held at Fort Henry, through 'over-study' contracted mental disability, living here, and now getting well again, remember me for my splendid treatment and scarce restoration of health. All Canadians are fighting as soldiers. Therefore I beg you pardon me, a German officer, to send you two dollars for those. Kindly use enclosed cheques. Sincerely yours, Felix Orb, Lieutenant I. II, Germany army."
