

## Teaching Germans English.

H. M. Peach, Y.M.C.A., representative at Fort Henry, has purchased a number of public school grammars for use in the instruction of the prisoners-of-war at the internment camp. Mr. Peach intends to carry on classes for every prisoner interested so that at the end of the war when they are released they will be able to speak English fluently and have a working knowledge of the writing and reading in the language.
