### GOVERNOR-GENERAL CONVERSES WITH OFFICER REGARDED AS THEIR LEADER.

(Canadian Press Despatch.)

Halifax, Aug. 23.—An interesting episode in the visit of the Governor-General to Halifax occurred yesterday when his Royal Highness was in the citadel. Interned there are about three hundred German prisoners, all officers, the rank and file being in the **detention** camp in much greater numbers at Amherst. The Duke was escorted into the enclosure where the prisoners are kept at the citadel, and was introduced to the officer who is looked upon as their leader. His Royal Highness conversed for some time with this German and passed up and down the lines where the other prisoners could see him and he them. They raised their hats and saluted as the Governor-General passed, and appeared pleased to have this visit from the representative of King George.

#### Desterro With Iron Ore Captured— Flew Swedish Flag.

(Canadian Press Despatch.)

Berlin, Aug. 25.—The capture of the German steamship Desterro, with a cargo of iron ore, was made by a Russian submarine flying the Swedish flag, says the Overseas News Agency. Despatches from Stockholm say the Desterro was seized in Swedish territorial waters, having on board a Swedish pilot, who has now returned to Haparanda. The vessel was taken into Raumo, Finland.

"This flagrant violation of Swedish neutrality," the News Agency says, "has produced excitement in Sweden and embittered the feeling of the people."
