

TOO LOUD ARGUMENT BROUGHT YEAR IN JAIL

TURK IS FOUND GUILTY OF TRY- ING TO HELP ALIEN ENEMY CROSS LINE.

(Special Despatch to The Globe.)

Windsor, Oct. 19.—One year's imprisonment at hard labor was meted out to-day in the Police Court to Nippo Saloraw, a Turk, found guilty of attempting to aid an alien enemy of the Empire to get out of Canada. Saloraw and Samuel Osman, the alien, were arrested here two weeks ago while engaged in an argument regarding the amount Saloraw should be paid for helping Osman to get across the line. For \$25 the Turk promised to fulfil his part of the bargain, but Osman objected so loudly that both men were arrested.

Welsh Coal Interests Are Being Amalgamated

(Canadian Press Despatch.)

London, Oct. 19.—Lord Rhondda has extended his interests into the Swansea anthracite coal district by securing control of the Gwaun Cae Gurwen Colliery, the largest concern in the district.

The colliery has a capacity of 300,000 tons annually. Further amalgamations are expected, and some observers suggest that these combines will eventually lead to the nationalization of the country's coal fields.

War Raises Standard of Christian Morals

In spite of bad weather there was a very large and representative gathering of preachers of the Methodist churches of the city at the annual banquet last night in Trinity Methodist Church. An address of welcome was delivered by the pastor of the church, Rev. Dr. W. H. Hicks, and also by the Chairman, Mr. W. H. Bridgen. Two excellent speeches were delivered by Rev. Dr. Chown and Chancellor Bowles. The war had raised the Standard of Canadian morals, said Dr. Chown, especially in the realm of real estate speculation and gambling, and the lessening of the ambition to "get rich quick." Chancellor Bowles emphasized the importance of young preachers being equipped with the knowledge of vital things, as well as being equipped academically.
