

GERMAN IS SENT TO JAIL TO BE INTERNED LATER ON

Special to The Journal.

Toronto, Dec. 14.—Frank Graff, a German, charged with robbing and shooting at Wilfrid McClung near Kenogami, was sentenced to seventeen months by Magistrate Atkinson at Cobalt and is in North Bay jail. This is part of the activities of provincial police in keeping after dangerous alien enemies. An inspector of provincial police prosecuted Graff, who will be interned if the war is on when he is freed from jail.
