

CAN NOW RECRUIT HERE FOR VENIZELIST ARMY

LOCAL GREEKS PLEASED OVER RECOGNITION OF VENIZELOS GOVERNMENT.

Local Greeks express themselves delighted at the statement of Mr. Lloyd George that the British Government has recognized the Greek Government of Venizelos.

According to them, it will mean that recruiting for a Venizelist army can commence in Canada. Already arrangements are being made to bring a Venizelist representative to the city to hold a meeting for recruits.

As the Greek priest's appointment to Toronto has not been ratified as yet by the Synod the matter of dropping from the service the prayer for King Constantine lays with the Greek Church Committee in the city.

It will decide on this subject next Sunday.
