

MAY UNITE PRISON CAMPS

Plan to Bring Spirit Lake Prisoners to Kapukasing

Ottawa, Jan. 4.—It is likely that the Internment Camp at Spirit Lake Quebec, will be abolished and the prisoners sent to the camp at Kapukasing, Ont. Both camps are on the National Transcontinental Railway. The Kapukasing Camp is large enough to handle the prisoners of the two camps and the amalgamation is in the interests of economy. One set of administration officers will do the work while the other will be reduced.
