

## More Alien Enemies Fined.

There was a late session at the police court Saturday night, lasting until 10 o'clock and was resumed again this morning. Over a dozen alien enemies were captured for breaking parole all having a wad of money on them. Officer Anderson arrested two Austrians at the G.T. R. depot who had about \$800 in \$1 bills. They were making their exit over the bridge with the money, perhaps to deposit in the U.S. banks. They were all fined \$25 each, except one who was let off for \$5 and sent back to their parole. Those who hadn't one were obliged to sign up.
