

Y.M.C.A. FIELD SECRETARY.

Visited Fort Henry ~~on~~ Thursday to
Inspect Conditions.

F. S. Sheppard, in charge of Military Y.M.C.A. Field Work for Eastern Canada, was in the city on Thursday visiting Fort Henry, where H. Peach, of the International Y.M.C.A. is acting in the interests of the war prisoners. Mr. Sheppard was most enthusiastic over the work that is being done by the Y.M.C.A. in this war. There were secretaries of the association in Germany and Austria, who represent, as neutrals, the Canadians, British, French and Russian prisoners. In the prison camps of Russia, France and England, and in Canada, secretaries are doing similar work for the alien enemies.

The Canadian Military Y.M.C.A. has become so successful in the work that it is proposed now to have workers even on the transports, who will use their experience and training for the Canadians while crossing the ocean.
