

Seeks \$12,000 For Damage To Fair Buildings At Brandon

W. I. Smale, manager of the Brandon summer and winter fairs, was in Winnipeg Monday on his way home from Ottawa where he entered a claim against the government for \$12,600 damages done to the fair grounds while they were being used for military purposes. Mr. Smale says the government promised to look into the claim. He had hopes of a satisfactory settlement. The summer fair buildings were used for remount purposes, and more than 10,000 horses were handled in them, but the chief damage was done to the winter fair buildings which were used as an internment camp.
