SOCIAL DEMOCRAT RAIDS IN TORONTO

By Canadian Press.

TORONTO. June 11.— Detectives and plainclothesmen raided Lodge 52 of the Social Democrat party of Canada, which was holding a meeting in the Occident Hall, at the corner of Queen and Bathurst streets.

Eighty or more enemy aliens who have accepted an undertaking from the registrar under which they were given their freedom, with certain restrictions, were taken into custody.

All men in the room who had become naturalized citizens were not questioned after they had shown their papers.
