

AN ALIEN ENEMY IS UNDER ARREST

Austrian is Charged With Not Reporting to Inspector

For not reporting to the Registrar of Alien Enemies, Maurice Schmittish, an Austrian, was arrested yesterday afternoon by Detective Murray Schmittish. Schmittish is 23 years of age, and lives at 441 Bathurst street. He claims that he registered over a year ago and that he lost his card. The record showed that he had not reported since last July, and when he made application for a card at the detectives' office he was arrested.
