## Harry Wolf is Arrested When He Reports at Registrar's Office

---

Harry Wolf, alias Henry Warch, was arrested by detectives today on a warrant charging theft of \$580 from Mike Fegiw, 141 Meade st.

According to Fegiw's story to the police, he, Wolf and another man slept in a room at 141 Meade st., Tuesday night. He was awakened several times by Wolf, whom he saw

padding the floor. Wolf's excuse was that the presence of rats in the room annoyed him so that he was unable to sleep.

When Fegiw awoke he found a roll of \$580, which had been under his pillow, missing. It represented the savings of his lifetime. Wolf also was missing.

Suspecting Wolf, Detectives Peter Metnick and Jacob Kwiatkowski notified the alien registrar's office to watch for the man. Wolf, a registered alien, reported today and was held for the detectives. He will be arraigned in court Saturday.
