

# TOTAL REGISTRATION OF OVER 5,000,000

## Uncovered Many Farm Hands and Enemy Aliens.

A total registration of five million or over was predicted by Senator Robertson, head of the Canada Registration Board, Friday. Senator Robertson stated that he hoped to be able to announce the final figures of the registration shortly, but as yet returns were not complete.

The returns from 204 out of the 230 constituencies in Canada, he said, showed a total of 4,800,000 registrants, and in addition to these, at least 200,000 cards would be received from constituencies in the Province of Quebec, where registration was being carried on through the post offices.

"The total registration will exceed our estimate," said Senator Robertson, "and the results are very satisfactory." He stated that in the Province of Ontario, 101,000 agricultural prospects had offered themselves, whose names were now in the hands of the Resources Committee. More than 3,000 unregistered persons of alien enemy birth have been located and registered through the instrumentality of the Canada Registration Board.
