

# ACQUITTED OF CHARGE OF SEDITIOUS LANGUAGE

---

Petrolia, July 22.—The charge of having used seditious language, laid by W. Frank against J. Munro and R. M. Cater, was dismissed by Police Magistrate Kelley here. No evidence was taken, although a number of witnesses were present. The court and the Crown Attorney were satisfied to accept the disclaimers filed by the accused of having had any intent to use language that would subvert authority or aid the enemies of our country.
