RUSSIAN "REDS" HEAVILY FINED

Nineteen of Them From Ford Mulcted in \$2,759—Men- ace in Detroit

(Special Despatch to The Globe.)

Windsor, Dec. 17.—Perhaps the largest amount ever collected in fines in any Police Court in western Ontario at a single session was imposed to-day by Magistrate Miers here, when 19 Russians living in Ford were fined a total of \$2,759.02.

The aliens were a part of a group of 23 arrested on October 20 last, when a squad of police headed by Provincial Officers Smith and Hannah raided a schoolhouse in Ford where Russians were holding a Bolshevik meeting.

Five other Russians, charged with having prohibited literature in their possession, contrary to Dominion order in Council, were fined \$218 each. Copies of a pamphlet entitled "Daily Free Russia," printed in Chicago, were found on them.

Crown Attorney Rodd declares that Russian "Reds" in Detroit are becoming a menace, and he has received information that recently some 5,000 of them joined a Socialist organization in Detroit, the meetings being held every Sunday evening.
