

# Alien Enemy Who's Who Commission Is Likely

---

At the regular meeting of the Great War Veterans on Tuesday night the first steps in the formation of an alien enemy "Who's Who" commission to adjudge the loyalty status of all men of enemy birth were taken, when Sergt. A. E. Moore was appointed returned soldiers' representative. Ratification of the appointment by the returned soldiers civic committee is now necessary. The committee will meet with the Trades and Labor council this morning at 10 30 when a labor man may be appointed. In the immediate future the committee will nominate a judge, probably of the King's bench as permanent chairman.

A paid secretary, four outside secretaries and a stenographer are also to be included in the staff. It is intended to open offices in the new employment bureau on Bannatyne avenue.
