

100 ALIENS DEPORTED FROM WESTERN CAMP

Fifty Will Go Directly to Eng-
land—Others Stay
in East.

Canadian Press Despatch.

Vernon, B.C., Feb. 21.—The first contingent of interned aliens to be deported from the Vernon Camp left yesterday. There were 100 prisoners, principally Germans and Austrians of the laboring class, who went out yesterday under charge of an officer and guard of twenty men.

It is stated that fifty will go direct to England and from there be deported to their homes, while the other fifty will remain for some time in an Eastern **internment camp**. This leaves about 250 prisoners still interned here.
