

DEMAND DEPORTATION OF ENEMY ALIENS

The Western Veterans Declare
Policy to Deal With Enemies
in the Dominion.

Moose Jaw, Sask., April 23.—Two important resolutions dealing with the alien enemy situation, were passed at the Provincial Convention of the Great War Veterans' Association yesterday afternoon. The first, dealing with the deportation of all alien enemies, was carried un-animously.

The second dealt with forwarding a request to the Dominion and Provincial Governments to immediately replace all persons of alien enemy birth disfranchised by the War Times Election Act, with persons of British birth, or origin, preferably returned soldiers.
