

3 ALIENS ARRAIGNED IN TEST CASE ON DEPORTING

Three men of alien enemy nationality, were before Judge Dawson in county court this afternoon to show cause why they should not be deported. The three, who were committed to jail by Judge Myers last week, are Nick Scholnitzke, 2235 Gallagher ave., Austrian; Pete Getvo, 581 Selkirk ave., German, and W. Plasyaski, Empress hotel, Austrian.

Unusual interest is attached to the case, as it will determine the fate of hundreds of alien enemies in Winnipeg. Special delegations from the veterans associations attended the proceedings.
