WINNIPEG, June 23.—Steve Scheerbanowez formerly of East Selkirk, Man., but recently living at 232 Lizzie street, Winnipeg, died this evening in the General hospital of gas gangrene, as a result of being shot in both legs. This is the second death victim of Saturday's rioting, the other being Mike Sokolowski, who was shot through the heart.

All the others injured are said to be progressing satisfactorily.

Although there were not lacking indications of nervous tension today, the city streets remained calm. Special returned soldier constables patrolled the city streets and the Royal North West Mounted Police and military forces were "standing-to," prepared to meet any emergency. The armored airplane "City of Winnipeg," made several flights over the city.

The man who died as a result of the rioting Saturday, M. Sokolowski, was a registered alien. Witnesses asserted that he took a prominent part in the attack on the police which started the trouble. The seriously injured are making satisfactory progress.

John Grant, returned soldier, one of those who advocated the holding of the "massed, silent parade," in defiance of the edict of Mayor Gray, was placed under arrest today, and it was stated at police headquarters that a number of other warrants had been issued against organizers of the demonstration.

Bail \$1000 Each

Forty four of the more than one hundred arrested during the rioting were released this afternoon on \$1,000 bail each in a special session of the riot court. They were arraigned on charges of riotous assembly. The remainder were remanded until next week.

T. J. Murray, counsel for the strike leaders arrested last week on a charge of seditious conspiracy announced that their trial would probably be held on Wednesday.

It was stated that federal authorities have ceased all action which might lead to a settlement of the general strike. Senator G. D. Robertson, minister of labor said "The Riot Act has been read in Winnipeg and the federal government has turned its attention to maintaining law and order in this city. The preservation of the peace will continue until such time as the strike committee decides to call off the sympathetic strike."

Back-to-Work Movement

The back-to-work movement went forward with renewed impetus. Railway officials reported that a large number of trainmen and switchmen reported for duty. It was stated that some of these were not taken back into service. Express employees returned to work, as did a small percentage of metal workers, and other business organizations asserted that the men were gradually drifting back.
