The Canadian First World War Internment Recognition Fund was established to support projects that commemorate and recognize the experiences of all of the ethno-cultural communities affected by Canada's First National Internment Operations 1914-1920.

Why was it created?

In May 2008 representatives of the Ukrainian Canadian Community reached an agreement with the Government of Canada providing for the creation of an endowment fund to support commemorative, educational, scholarly and cultural projects intended to remind all Canadians of this episode in our nation's history.

What is the organizational profile of the CRWWIRF?

CFWWIRF received a one-time endowment of \$10 million from the Government of Canada. The CFWWIRF represent all the ethno-cultural communities affected by the First World War internment. The affected communities include Ukrainians, Bulgarians, Croatians, Czechs, Germans, Hungarians, Italians, Jews, various people from the Ottoman Empire, Polish, Romanians, Russians, Serbians, Slovaks, Slovenes, among others of which most were Ukrainians and most were civilians. The Ukrainian Canadian Foundation of Taras Shevchenko is proud of its' commitment to become legal custodian for the Fund and assume managerial responsibility over its long term objectives. In addition, a full-time Program Manager oversees the day-to-day operations. The Endowment operates solely on the income derived from investments and donations.
