

# *German Arrested; Failed to Report*

---

Because he did not report to the police in compliance with the order issued by the military authorities, Fritz Bluemlein, a German waiter at Krausmann's Hotel, King and Church streets, was arrested to-day and incarcerated at Stanley Barracks. He will stay here until it is decided what is to be done with him. Meanwhile the police will take an opportunity of looking over his papers. This is the first case in Toronto where a German has been arrested for failing to report.
