
PROFESSORS WILL REGISTER WITH JUDGE COATSWORTH

PROF. TAPPER HAS DONE SO
AND PROF. MUELLER
WILL.

Professor Tapper, who resigned his position at the University after being given leave of absence, has registered with Judge Coatsworth, and Professor Mueller has given notice through his solicitor that he is coming in to register. Professor Benzinger has not yet registered.

Eleven **alien enemies** of the King were interned under the order of the Judge yesterday. All of the men hail from Austria, and had been begging at the House of Industry. Their names were: George Belzal, Peter Hszczerski, Andrew Mossic, John Halaburda, George Tchnck, John Dicuk, Fred Kolza, Alec Orestza, Mike Alamanuk, John Gavlink and John Aranluk. The ages of the men ranged from twenty-one to forty-five. Most of them were married, their families being in Austria; two of them were reservists.

Board of Trade Raises \$55,000 for Belgium

Over \$55,000 has been contributed to the Board of Trade Belgian Relief Fund. The board undertook to raise \$50,000 for this purpose, and the fact that \$55,185.38 has been contributed shows the splendid response of the people of Toronto. The fund will not close yet, however, as news is received daily of the necessity of relief for the Belgians, and many citizens who had expressed a desire to contribute have not yet done so.

PAID FOR HIS FUN.

Robert Bernard of Downview, Ont., was in the Police Court yesterday afternoon charged with cruelty to animals. He was noticed by Miss George of the Humane Society driving a horse and waggon at a furlour pace along the street, with his dog tied by a short leash to the back of the waggon. As the dog could not go as fast as the horse the collar round its neck tightened, causing it to yelp and whine with pain. He was fined \$10 or ten days in jail.
