

UP GUARDS AND AT 'EM

The guards at the detention camp are convinced that they have enough real soccer talent for a high class team, and are anxious to display their prowess. They have issued a challenge to the members of the 20th Battery. The Battery boys, always willing to try conclusions, accepted the challenge to combat, and the tilt has been arranged for tonight at the Exhibition grounds. It promises to be aummer.

The guard's motto, "Up and at 'em," will be the dominant spirit of the game, and a lively contest is promised. The guard's line-up will be as follows:

Crowther, goal; R. Smith and Corp. Gullett, backs; Forman, Corp. Bennett and McGowan, half-backs; McVean, Lowe, Atkins, Stowe and Andrews, forwards.

The Battery team has not yet been announced. They are keeping it dark.

The good citizens of Lethbridge are cordially invited to attend the affray. Admission free.
