

# AUSTRIAN PRISONER OF WAR HAD BRIEF SPELL OF LIBERTY

**Dimytro Kowalchuk Recaptured  
Near G. N. Railway Track at  
Bannerman Last Night.**

---

## **ESCORT SENT FOR HIM.**

---

The liberty of the 22 year old Austrian, Dimytro Kowalchuk, who made his escape from the old winter fair building, was short lived. He succeeded in getting near Bannerman, a few miles from the boundary line, but the vigilance of the police there was too much for him. He was recaptured last night near the G. N. railway track, the river, a few hundred yards ahead, helping in his apprehension. An escort was sent to Bannerman for him and he will be back probably tonight.
