

OTTO MULLER COMPLAINS: DECLARES HIS LOYALTY

Mr. Otto George Muller, a naturalized Canadian but of German birth, has written the city council asking for police protection. He stated in his letter that the reports as to his talking seditiously were absolutely without foundation, and declared that since he took out his naturalization papers nine years ago he had been a loyal Canadian. He warned the city council that he would hold them responsible for any damage that might happen to his wife, his children, or himself or to their property. The matter is in the hands of the chief of police, who, it is understood, has received orders to see that the law is not violated.
