

# INTERNMENT CAMP HERE TO BE CLOSED

## End of July Will Find Brandon Winter Fair Building Emptied of Enemies

---

The internment camp here is to close at the end of the present month, and the hundred or more aliens will be sent to Castele, Alberta, according to a statement by Major Coleman. The Major will go in charge of the aliens from here, but he has received no word as yet as to future arrangements. There is an alien camp at Castele and the prisoners being sent there are the ones who are either considered unfit to have their liberty or who are still bent on making trouble by seditious utterances. The 99th guards will likely be released at the beginning of next week. These moves have been rumored for some time but confirmation of the report has only just been received from Ottawa.
