

BREAK WINDOWS IN GERMAN CLUB

Procession of Citizens Waving
Union Jack and Tri-color
Demonstrate

After parading through the streets singing the Marseillaise, with a Union Jack at their head and a dozen or more tri-colors waving behind, a big body of citizens marched down Main street last night headed for the German club on Heaton street, where a demonstration was held in which a few windows were smashed.

Most of the members of the German club are naturalized Canadians.
